What to Expect at Tryouts:

All players will be scored (and sometimes timed) on fundamental skills and then scored again in scrimmage situations. All attempts will be made to provide objective scoring from a minimum of 4 different coaches. Team rosters will be limited to a reasonable number in order to provide each player with adequate playing time.

Coaching:

All coaches will attend the PIRHL league coaches training classes and obtain AAU Insurance. Coaches will be chosen *after* players are placed on teams, from the choices available on that team. The coaches are chosen based on coaching experience, playing experience and parent feedback from previous years.
